

ASSEMBLY BILL

No. 1762

Introduced by Assembly Member Quirk-Silva

February 14, 2014

An act to amend Section 78218 of the Education Code, relating to community colleges.

LEGISLATIVE COUNSEL'S DIGEST

AB 1762, as introduced, Quirk-Silva. Community colleges: Seymour-Campbell Student Success Act of 2012.

Existing law, the Seymour-Campbell Student Success Act of 2012, provides that the purpose of the act is to increase California community college student access and success by providing effective core matriculation services of orientation, assessment and placement, counseling, and other education planning services, and academic interventions. The act specifies the responsibilities of students and institutions in entering into the matriculation process, and requires the Board of Governors of the California Community Colleges to develop a formula for allocating funding for the Student Success and Support Program that would be implemented under the act. The act provides that, in the 2012–13 fiscal year and each fiscal year thereafter, it is operative only if funds are specifically appropriated for its purposes.

This bill would make a nonsubstantive change to the provision that makes the act's operation contingent on a specific appropriation for its purposes.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 78218 of the Education Code is amended
2 to read:
3 78218. In the 2012–13 fiscal year and each fiscal year
4 thereafter, this article shall be operative only if funds are
5 specifically appropriated for the purposes of this article.
